

MORE THE HELPING HANDS, THE MERRIER THEY WILL BE.

Amitasha is an endeavour to bring smiles in the lives of the less privileged girl children. An initiative of the Amity Humanity Foundation run under the aegis of Amity, India's leading education group, Amitasha educates girls from the weaker sections of the society, so that they can face the challenges of life with the same spirit and confidence as the other blessed ones.

Amitasha was established in the year 2000 with 35 girl students at Amity International School Noida. Since then, Amitasha has grown into a chain of schools where over 1000 girls in the age group of 3-18 get educated in the best of infrastructure. Starting from Nursery, these girls remain with Amitasha till class XII under the able guidance of professionally qualified teachers and are provided with free meals, books, uniforms and health care. Students who display extraordinary potential and interest are encouraged to study further at the other Amity institutions. Apart from academics, the girls are also given vocational training in order to make them economically independent.

In our endeavour to provide them a better future, we are looking for volunteers to fortify our hands. You can sponsor a girl child or become a friend. All you have to do is fill up this form and mail it to us. We will keep you regularly updated on the child you sponsor or help. So that you know how your little angel is facing the challenges of life with a smile.
